

Archdiocese of San Francisco Department of Catholic Schools Job Posting

Date: April 23, 2018

School Name: Star of the Sea

School Address: 360 9th Ave., San Francisco, CA 94118

Contact Person: Mrs. Theresa Poon, Principal

Position Title: Middle School Teacher

Position Type: Full Time

Requirements/Qualifications: CA Teacher Credential

Star of the Sea seeks a middle school teacher for the 2018-2019 school year who will provide enthusiastic, Christ centered instruction to grades 6, 7, and 8; and who will eagerly collaborate with the faculty and staff of the school in all endeavors. This is a position that requires energy and passion. We are looking for individuals with a strong background in literature and or social studies,, and a desire to teach students who come from diverse, low-income backgrounds both in income and ability, and from a variety of faith backgrounds or no faith.

The qualified candidate must have a valid CA teaching credential, a passion for evangelizing through teaching at a Catholic school and a heart large enough to help all students succeed.

The school is hiring teachers who want to work as a part of a team giving 100%; always growing in “profound love of God and love of neighbor without distinction.” In this environment teachers do whatever it takes to support each student in reaching his/her highest academic potential while cultivating a personal relationship with Christ and growing in the passionate service of others. Teachers are held responsible for the implementation of the curriculum and the academic success of every student. Therefore, Star of the Sea seeks teachers who are committed to continuously improving curriculum and instruction while serving as a model in the Catholic faith.

Salary/Benefits

Teachers will be paid based on the published salary scale from the Archdiocese of San Francisco Department of Catholic Schools (<https://www.sfarchdiocese.org/catholicschools>). Full time teachers are eligible for benefits.

Application Instructions:

Submit a letter of introduction and résumé to:
